8 SYNOPSIS: Under existing law, a person riding a
9 bicycle is required to follow the Rules of the Road
10 for motor vehicles unless otherwise provided by law
11 or unless a rule by its nature does not apply.
12 Therefore, a person riding a bicycle is required to
13 give a hand signal for a right turn in the same
14 manner as the driver of a motor vehicle gives a
15 signal for a right turn, with his or her left arm
16 and hand extended upward.

17 This bill would authorize a person riding a
18 bicycle to give a hand signal for a right turn with
19 his or her right arm and hand extended horizontally
20 on the right side of the bicycle.
